Textbooks for St. Edward's College - Scholastic Year 2011/2012

Dear Parent,

July 2011

As you have been advised by The College, Agenda Bookshops have been appointed as the textbook supplier for the forthcoming scholastic year following a public call for tenders.

The enclosed form lists the books required for your child's new Year class, by subject and ISBN. Please fill in the form, **marking the books required**, along with your name, address, email, telephone/fax and mobile numbers. We have bound ourselves to retain your personal details for no purpose other than to liaise with you regarding your child's textbooks. Remember to state the preferred Agenda/8 Till Late/Bookends Bookshop you would like to collect the textbooks from.

Kindly return the completed form by post or fax the form on fax no. 21377985, email the details to agendatextbks@millermalta.com or personally hand in the form at any Agenda/8 Till Late/Bookends Bookshop, as indicated on the form.

This year we are offering "**Our Price**", rather than a global discount on all titles. "**Our Price**" reflects the **best possible discounted prices** we may offer **per title** - many of which have **more than a 15% discount!** Should you request a quotation please visit our website www.agendamalta.com and click on the **Agendabookshop Textbooks Service** logo and follow the instructions. Alternatively you may request a quotation by sending an email to agendatextbks@millermalta.com **No quotations will be given over the phone.** You will also receive offers on children's books & "Books for Schools" tokens.

We are also offering a **Textbook Covering Service**. For ease of reference and to help you estimate the cost of this service, please find the letter **S, M** or **L** listed alongside each title. This service is **only available** when ordering your books. For details see the attached booklist and **remember** to tick the box if you wish to avail yourself of this service.

Important: forms may be sent anytime during the summer holidays. Kindly mark all your requirements, even if they have a later delivery date. We will package all the available titles and you will be notified by mail/email when these will be ready for collection at the Agenda/8 Till Late/Bookends Bookshop you have indicated on the order form. We will keep a record of your titles due to arrive later and you will once again be notified by mail/email as soon as these are received so that these too may be collected from the shop of your choice. We regret any inconvenience caused, but titles that are reprinting, and are therefore unavailable immediately, are beyond our control. **NO** deposit is required and please **DO NOT** send money with the order form. You will be notified of your package number and payment may be effected upon pick-up.

Please note that the Agenda/8 Till Late/Bookends Bookshops are only pick-up points and do not physically stock any of the texts required, so please send in the completed form and wait for your collection notification, which will contain full details.

Yours sincerely,

Agenda Bookshops
